

6 Min Yoga Practice

Below are four simple steps that can be practiced daily at home:

Postures:

Super brain yoga: 11 times
Sun salutation: 2 times
Spinal rock: 5 times

Breathing exercise:

Rhythmic breathing: 24 counts on each nostril

In our busy lifestyles, we often desire to dedicate time to maintain our physical and mental well-being, yet struggle to put that desire into practice. Here lies an excellent opportunity to motivate yourself and turn that wish into reality. This six-minute routine comprises simple breathing techniques and easy-to-follow yoga postures, requiring only six minutes of your daily schedule.
